AMENDED AND RESTATED

JOINT EXERCISE OF POWERS AGREEMENT

This Amended and Restated Agreement is made and entered into to be effective on the 1\textsuperscript{st} day of January, 2018, by and among the following parties:

a. City of Stockton, hereinafter referred to as the "Stockton’’;

b. County of San Joaquin, hereinafter referred to as the "County’’;

c. San Joaquin County Flood Control and Water Conservation District, hereinafter referred to as "SJCFCWCD’’

d. City of Lathrop, hereinafter referred to as “Lathrop’’; and

e. City of Manteca, hereinafter referred to as “Manteca’’.

RECITALS

On May 23, 1995 (as amended on November 5, 1996 and May 20, 2009), Stockton, County, and SJCFCWCD executed a Joint Exercise of Powers Agreement to create the San Joaquin Area Flood Control Agency (“Agency’’). Agency has implemented certain projects within the boundaries of Stockton and unincorporated County but has not advanced projects in the Cities of Lathrop or Manteca. Lathrop and Manteca have now requested that the Joint Exercise of Powers Agreement be amended to include those cities.

The Parties to this Amended and Restated Agreement have and possess the power and authorization to acquire, construct, operate and maintain Works for the purpose of controlling and conserving waters for the protection of life and property that would or could be damaged by being inundated by still or flowing water.
However, there is a need for (i) coordinated planning for the control of waters within or flowing into the boundaries of the Parties, (ii) the protection of private and public property within said boundaries, and (iii) the creation of a single point of contact to represent the Parties’ flood control interests for the region and to negotiate with State and Federal agencies on their behalf.

There is a need for a coordinated and regional effort to finance, provide, and maintain Facilities and Works necessary to ensure not less than the minimum level of flood protection, as defined by the Federal Emergency Management Agency and pursuant to State law, in developed and urbanized areas within the boundaries of the Parties.

There is a need to provide leadership and/or local assurances and to participate in cost sharing for such Projects as levee reconstruction, detention basins, pumping plants, conduits, ditches, channels, pumps, dam structures, or other Works necessary for the achievement of at least the minimum level of flood protection.

There is a need to continue to pursue the priorities of the Agency prior to the Amendment and Restatement while also ensuring that the Agency adopts new priorities sought by the new Parties.

Such a regional Water Control Plan can best be achieved through the cooperative action of the Parties operating through a Joint Exercise of Powers Agency.

Each of the Parties is authorized to contract with each other for the joint exercise of any common power under Article I, Chapter 5, Division 7, Title 1 of the Government Code.
