The draft budget shall provide a complete financial plan of all City funds and activities for the ensuing fiscal year and, except as required by law or this Charter, shall be in such form as the Council may require or, in the absence of Council requirements, in such form as the City Manager deems desirable. It shall begin with a clear general summary of its contents; shall show in detail all estimated income, including the amount proposed to be raised by property taxation, estimated unencumbered balances of funds to be carried over from the preceding year, estimated unencumbered available reserves, and all proposed expenditures, including debt service, for the ensuing year. At least thirty (30) days prior to the new fiscal year, the Mayor shall submit to the Council the Mayor’s Final Budget Modifications to the draft budget.

Following receipt of the Mayor’s Final Budget Modifications, the Council shall proceed to consider the same together with the draft budget; but the Council shall not adopt a budget, either as proposed by the City Manager or as revised by the Mayor’s Final Budget Modifications, until after the Council shall have held a public hearing in accordance with the provisions of this section.

Following the public hearing, the Council shall adopt the budget with such amendments, if any, as it may deem desirable. Such amendments may add or increase programs or amounts or may delete or decrease programs or amounts except expenditures required by law or for debt service, provided that no amendment to the budget shall increase proposed expenditures to an amount greater than the total estimated income plus unencumbered available reserves and estimated unencumbered balances of funds carried over from the preceding fiscal year.

SECTION 1908. Appropriations.

After adoption of the budget, the various amounts proposed for the operation of each of the offices, departments and agencies of the City during the budget year and for other purposes or objects named in the budget shall be deemed appropriated. The budget may be amended from time to time during the fiscal year.

In the event the Council shall fail to adopt the budget by the beginning of the fiscal year, the various amounts proposed in the draft budget shall be deemed appropriated until the Council adopts a budget for the fiscal year.

No part of any appropriation shall be transferred from one fund to another fund unless authorized by the City Council.

No member of the Council, officer, department or agency of the City, during any budget year, shall expend or incur any obligation to expend money for any class or category of expenditure not authorized by or in excess of the amounts appropriated in the budget.

Except as otherwise provided in this Charter or where the Council may have, by resolution, provided for the continuance of an appropriation beyond the end of the fiscal year, all
appropriations approved by the City Council shall lapse at the end of the fiscal year to the extent they shall not have been expended or encumbered.

SECTION 1909. Control of Expenditures by City Manager.

The several items of expenditure appropriated each fiscal year being based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the City Manager to establish a schedule of allotments, monthly or quarterly or as he or she may otherwise determine, under which the sums appropriated to the several departments, offices and agencies shall be expended. The City Manager shall revise revenue estimates from time to time, and may revise allotments at any time.

At the conclusion of each fiscal year, a comprehensive Annual Financial Statement shall be prepared in sufficient detail to show the financial condition of the City’s funds for the preceding year. Such Annual Financial Statement shall be prepared in accordance with generally accepted accounting principles.

SECTION 1911. Annual Audit.

As soon as practical after the close of the fiscal year, an Annual Audit shall be made of all accounts of the City. Such audit shall be made by a firm of certified public accountants selected by the City Council. The audit shall be made in accordance with generally accepted audit standards for audits of public agencies.

Commencing in December 2002, the Civil Service Commission shall, during the month of December of each even-numbered year, make appointments to fill the offices of the members whose terms are expiring at the end of such even-numbered years. Such appointments shall be for regular terms of four (4) years commencing on the first day of January of the following odd-numbered year and expiring on the thirty-first day of December of the second even-numbered year thereafter.
(c) Vacancies: The Civil Service Commission may remove a member from office at any time for misconduct, inefficiency or willful neglect in the performance of the duties of his or her office providing it first states in writing the reasons for such removal and gives such member an opportunity to be heard before the Civil Service Commission in his or her own defense. If a vacancy occurs before the expiration of a member’s term, the Civil Service Commission shall appoint a qualified person to fill such vacancy for the remainder of the unexpired term of such member.

(d) Powers and Duties: The Council Salary Setting Commission shall biennially make recommendations respecting salaries for members of the Council, including the Mayor, as provided in Charter Section 410.
